## September 2007 Notes from the President

Hello!

I hope everyone is having a great summer! I love summer but have to admit I am ready for fall and cooler temperatures. I've had very busy summer with both my boys playing baseball. My husband and I still managed to find a little time to ride our motorcycle. We also took a family vacation to Nashville...to the Dukesfest because my boys love the Dukes of Hazzard. I wasn't thrilled about going, but we all enjoyed it, and it was neat to see so many orange '69 Chargers driving all over Nashville.

Now to talk a little about what's going on with the Show-Me Chapter. The program committee is busy preparing for the Fall Conference at the Lake of the Ozarks on October 17<sup>th</sup>-19<sup>th</sup>. It will be at the Tan-Tar-A Resort. A save the date email was just sent out and the brochure will be coming out shortly so you can see the great line up of speakers that will be there. We are also working with Mutual of Omaha to schedule a few seminars just as we have with Trispan. Information will be coming out soon with those dates and topics as well as a date for a webinar this winter.

The Sponsorship Committee is busy contacting speakers for 2008 so we can have them finalized for the membership directory which is due out in November. Our sponsors are a very important part of our chapter. Their contributions help us offer the educational sessions and networking opportunities that make our membership so valuable.

The Chapter's website has been updated with the most up to date information. A big "thank you" to Kalon Mitchell for making all the changes! Please be sure to check out the website at [www.hfmashowme.org](http://www.hfmashowme.org).

Please contact me anytime if there is anything I can do to help you get the most out of your membership.

Sincerely,

Stephanie Fennewald
